(CCB) Courtroom 602

Prior to the commencement of today's proceedings, Petitioner/Father's exhibits 1 through 14 are marked for identification.

3:07 p.m. This is the time set for Evidentiary Hearing on Father's Petition to Enforce Child Support, Child Support Arrearages and Medical Reimbursement for Unreimbursed Medical Expenses. Petitioner/Father is present, appearing on his own behalf. Respondent/Mother is neither present, nor represented by counsel.

A record of the proceedings is made by audio and/or videotape in lieu of a court reporter.

LET THE RECORD REFLECT that this matter was originally set for May 16, 2013 at 10:00 a.m. On that date, Mrs. Mcauliffe, called this Division, one hour prior to the hearing

indicating that she was not feeling well and could not appear. Over Father's polite objections, the Court continued this case to today's date. At 2:00 p.m. today, Court staff received 2 phone calls from Mrs. McAuliffe indicating that first, she was being evicted from an apartment and that her 11 month old baby was sick. Nonetheless, she was instructed that this matter would proceed whether she was present or not. In this Court's view, Mrs. McAuliffe has had plenty of notice to appear for today's proceedings. Given the timing, the Court believes that it is best to proceed. Therefore, the Court will proceed in Mother's absence.

Discussion is held.

Petitioner's exhibit 12 is received in evidence.

Petitioner's exhibit 7 is received in evidence.

Petitioner's exhibit 9 is received in evidence.

Petitioner's exhibit 8 is received in evidence.

Petitioner's exhibit 13 is received in evidence, for demonstrative purposes.

Petitioner's exhibits 1 through 4 are received in evidence.

Petitioner's exhibit 6 is received in evidence.

Petitioner's exhibit 10 is received in evidence.

Petitioner's exhibit 14 is received in evidence.

Based upon the evidence presented,

THE COURT FINDS that Father is concerned and understands the importance of Mother having a relationship with the children, while at the same time, being concerned about the children's best interests and their safety. Given Mother's unfortunately demonstrated history with alcohol abuse,

IT IS ORDERED that, at least until the final orders are issued, Mother's parenting time with the minor children shall be at Father's discretion and as Father deems fit.
